NOTE.

"Every church and every minister upon the rolls of the denomination" is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, "the rolls of the denomination" must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK's tables, or such minister's name is enrolled and printed in its "List of Congregational Ministers" here reported and printed. To purchasers, the price is $1.00; or, in cloth, $1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. HENRY A. HAZEN,
CONGREGATIONAL LIBRARY,
BOSTON, MASS.,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say "Congregational House" only, as it has many rooms and occupants.

A pastor, who has resigned his active service, does not lose his claim to the YEAR-BOOK. It is due to "every minister upon the roll." A church is not entitled to two copies, one for itself and one for its minister, as is often assumed; but to its one copy. The roll is new every year, and a minister's name has no place on it simply because it was in the *last* YEAR-BOOK. It is to be reported each year, either by the church he is serving or by the conference or association of which he is a member, and which is responsible to the churches for record and report of his good standing.

ERRATA. — In notice of Dr. Quint, on page 37, line 12, for 1873, read 1883. Line 15, change dash to comma, 1866, 1882. Line 19, for 1892, read 1893.

INTRODUCTORY.

As this YEAR-BOOK leaves the hand of the editor, his thought reverts to its first editor, practically its founder, whose eyes have watched, with eager interest, every preceding issue. The YEAR-BOOK's record of Rev. A. H. Quint may be found at page 36; but a word of loving memory is due to him here. The shaping and fulness of our Congregational statistics we owe to him more than to any other. His labors on the Massachusetts Minutes and for twenty years on the *Congregational Quarterly*, prepared the way for the founding of this YEAR-BOOK in 1879; and the National Council, which has stood responsible for the YEAR-BOOK, owes much, in its inception and in all its life, to his inspiration and formative influence. It is a felicitous circumstance that he was called to serve as its moderator at Minneapolis, and to give a moderator's address at Syracuse. That address and the "Manual" since issued, and which owes so much to his wisdom and incomparable experience, may stand as his fit legacy to our churches. He has written his name imperishably in their history.

The Connecticut table was received, not only late, but in an unusual order, which required an entire transformation to adjust it to the order long followed by other States and the YEAR-BOOK. But in spite of the delay thus occasioned, the YEAR-BOOK has gained time and will see the light in May this year.

The report of Idaho was first received, and twenty States reported before March 1, the larger being in order, Oregon, New Hampshire, Maine, Missouri, Alabama, Michigan, Ohio, and Massachusetts. March brought twenty reports, leaving nine to report in April, including Texas, Colorado, Nebraska, North Dakota, Connecticut, and Florida on April 14. We have gained something each year of late and the time has clearly come when our watchword may reasonably be — "Every report before April and most before March," and a YEAR-BOOK May 1.

Good work cannot be too often recognized, and the quality of the service rendered to the churches by the State secretaries, I must repeat, as I have often said before, is of very high order. Some of them by character and long service have developed great expertness in our statistical work and deserve the thanks of all who are helped by their labors.

But there is room for improvement; and greater care on the part of local reporters is sometimes called for. Four States, this year, sent in, on their ministerial rolls, the names of seven ministers whose work was done months ago and whose record was already made up for the YEAR-BOOK; one, indeed, was printed in 1896; and one good man's death was reported, who is still living in a vigorous age. Plainly, the local secretaries, who sent these names, reported their ignorance and

not their knowledge. It is to be feared this is too often done in giving residences, taken from the last YEAR-BOOK with no present assurance of their continued correctness.

The YEAR-BOOK looks for report, new each year, from every minister as well as every church; and must have it, if the due standard of accuracy is to be reached and maintained.

It will be a great gain to the end of full and early reports from the churches, when they will take December instead of January for gathering the items needed in their report. Present these items to the church at one of its December meetings, and the members will be stirred to healthy effort for its completeness.

When two States send contradictory instructions as to the insertion or omission of a certain name on the list of ministers, as happens this year, both cannot be followed.

THE NATIONAL COUNCIL will meet for its session of 1898, in Portland, Oregon, in October. The date is not fixed and will be influenced by the decision of the American Board as to accepting the invitation from San Francisco, to hold its annual meeting in that city. It is confidently expected that very low rates of fare will be made by the railroads, to those who attend the meeting; and it is very desirable that full delegations from the churches be secured to attend this important assembly.

The States and local bodies which hold their annual meetings in the autumn, will need to appoint their delegates in 1897, to give time for suitable arrangements for so long a journey, and for the filling of vacancies by substitution of alternates.

The Rev. A. W. Ackerman, of Portland, is chairman of the local committee of arrangements, which has its work already well in hand.

THE SECOND INTERNATIONAL CONGREGATIONAL COUNCIL is also drawing near and claiming the attention of all American Congregationalists. It is practically assured that it will be held in the summer of 1899, in Boston, probably early in July; possibly June 1. The convenience of our guests from England will determine the date, as did that of the American Delegation in 1891. Adequate arrangements for and a due reception of this great ecumenical assembly will devolve a large but welcome responsibility upon our churches.

Note. — The limitations of the tables do not in all cases admit exactness. In the table of theological education, students who did not graduate are counted, and without distinction from graduates: but a name occurring in more than one seminary list is not repeated; and in the college lists, a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN MISSIONS.

Founded in 1810.

President. — Richard S. Storrs, D. D., LL. D., Brooklyn, N. Y.
Vice-President. — Eliphalet W. Blatchford, Esq., Chicago, Ill.
Corresponding Secretaries. — Judson Smith, D. D.; Charles H. Daniels, D. D.; James L. Barton, D. D.
Asst. Treasurer. — Frank H. Wiggin.
Editorial Secretary. — Elnathan E. Strong, D. D.
Publishing and Purchasing Agent. — Charles E. Swett.
P. O. Address of the above, 1 Somerset Street, Boston, Mass.
District Secretaries. — Charles C. Creegan, D. D., 121 Bible House, New York City. Rev. A. N. Hitchcock, Ph. D., 153 La Salle Street, Chicago, Ill. Rev. Walter Frear, General Agent, San Francisco, Cal.

The American Board is now in the eighty-seventh year of its existence. When organized it was a serious question in which of the Pagan or Mohammedan lands its missionaries could find a safe foothold. But the question now is, which of the multitudinous open doors must it decline to enter because of the inadequacy of the means? The Board now has twenty missions, viz., four in Turkey, three in India and Ceylon, four in China, three in Africa, three in Papal lands, and one each in Japan, Micronesia, and the Hawaiian Islands.

In these missions are located 1,292 stations and outstations in which evangelical labors are carried on among large populations, speaking at least 25 different languages. The missionary force numbers 555 men and women, all under direct appointment by the Board. These missionaries have gathered about them 2,951 native helpers. There are 471 churches connected with these missions, enrolling 43,043 members, 3,051 being added last year. Intimately associated with these churches and missionaries are 1,060 Christian schools. These schools are of every grade, including theological seminary, college, boarding school, high school, and common or district school, with increasing numbers of the kindergarten. They are for both boys and girls, and enroll over 52,000 pupils, all of whom are taught the Word of God and the way of life. This is a number considerably in excess of the enrolment of students in all Congregational institutions in the United States, including academies, seminaries, and colleges, such as Yale and Amherst; so that the American Board is in fact a great education society. In addition to this it fosters Sunday schools and prepares and disseminates Christian literature in the various languages of the peoples to whom its missionaries are sent. It aids feeble churches and stands behind many of the native home missionary societies. Medical missionaries, with hospitals and dispensaries, are doing a grand work both for the bodies and souls of men.

In brief, the Board seeks to minister in all departments of Christian service to the needs of those who are coming out of darkness into the light of the gospel of Christ.

The imperative needs of the Board are three-fold: (1) The most cordial support and sympathy from our pastors at home. (2) An annual contribution from all our Congregational churches. More than two thousand make no offering to this work. (3) A system of contributions in every church which will increase the givers until every member shall have a part.

The Woman's Boards, which co-operate with the American Board, are doing a royal service, not only securing — mainly from the women of the churches — large contributions, but also educating and training children and young people to an intelligent interest in missionary work. These Boards can be addressed at No. 1 Congregational House, Boston, at 59 Dearborn Street, Chicago, and at Y. M. C. A. Building, San Francisco.

The Board was able at its last Annual Meeting to report itself as free from debt, but this end was accomplished only by a reduction in appropriations for the work, which has crippled it most seriously, and which will be absolutely fatal to some portions of it unless relief comes soon. Such is the distress from persecution and massacre in Turkey, and from famine and plague in India, that the appropriations for missions, in these lands especially, should be doubled instead of being reduced. The outlook for the year in spiritual things is most hopeful; in temporal things it is most critical.

Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light*; also to the *American Board Almanac*, and to *Congregational Work*. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

STUDENT DEPARTMENT.

(Organized in 1816.)

1. Purpose. — To assist worthy students in colleges and theological seminaries who are educating themselves for the Congregational ministry. Few ministerial students come from homes of wealth. The great majority need financial aid while pursuing courses of study. About 9,000 have found the Society's aid necessary.
2. Number Aided. — 300 regulars besides about 50 of foreign birth who are preparing to be home missionaries to their own people in this country.
3. Amount of Aid. — Each needy and worthy student may receive annual appropriations of $75 each. Many afterwards refund all they receive.
4. Demand for Ministers. — Annual loss by death about equals the recruits from the seminaries, but for many years the annual net gain in number of churches has been about 125.

The Congregational churches are not producing a supply of ministers equal to their own demand; hence, many are called from *other denominations*.

COLLEGE AND ACADEMY DEPARTMENT.

1. Purpose. — To assist in the support of teachers in Home Missionary colleges and academies in the West and South. As pioneers must have the railroads built for them, so for a few years they require some aid in the establishing of institutions of higher and Christian education.
2. Number Aided. — 9 colleges and 17 academies.

COLLEGES.

Salt Lake, Utah.
Whitman, Washington.
Rollins, Florida.
Pacific University, Oregon.

Proctor, Utah.
North Wisconsin, Wis.
Iberia, Missouri.
Hull, Iowa.
Puget Sound, Washington.
Ahtanum, Washington.
Ward, South Dakota.
Kingfisher, Oklahoma.
German-English, Iowa.

3. Amount of Aid. — Each college receives from $1,500 to $5,000 a year, and each academy from $500 to $1,500. The institutions are required to raise the balance

of their current expenses on their home field. Aid has been given to 22 colleges that are now strong and prosperous.

4. THEIR IMPORTANCE. — The colleges produce candidates for the ministry, an intelligent and Christian citizenship, and educate the leaders in the thought and life of new States and Territories. The academies are located in new regions unprovided with sufficient educational privileges, prepare teachers for the public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of Home Missionary churches.

NEW WEST DEPARTMENT.

1. PURPOSE. — To support the mission schools and academies in Utah and New Mexico, which were formerly sustained by the New West Education Commission. The Christian teacher must precede the preacher to the Mormon and Spanish populations. Churches grow out of the schools.

2. NUMBER SUPPORTED. — Besides the Salt Lake College in Utah, Proctor Academy, and ten mission schools.

MISSION SCHOOLS.

BOUNTIFUL, Utah.
FARMINGTON, Utah.
COALVILLE, Utah.
HEBER, Utah.
LEHI, Utah.
ATRISCO, New Mexico.
BARELAS, New Mexico.
SAN RAFAEL, New Mexico.
CUBERO, New Mexico.
SAN MATEO, New Mexico.

3. AMOUNT OF AID. — $15,000 for the year.

4. RESULTS. — Nine Congregational churches; thousands of youths and children instructed and protected from the baneful influences of Mormonism; the introduction of public schools made possible, and centres of social and patriotic influences established.

5. MORMONISM STILL POWERFUL. — The church organization remains unchanged; the missionaries are active at home and abroad, and church schools are being founded in the leading cities and towns.

6. MEXICANS IN THE UNITED STATES. — Several hundred thousand. Very poor, ignorant, and superstitious.

The gifts of those who were loyal and generous supporters of the New West Education Commission are imperatively needed and earnestly solicited for the future maintenance of the schools among the Mormons and Mexicans.

BEHIND AND BEFORE.

Our Association has reached the parting of the ways. The Congregational House, which it has owned and occupied for the last twenty-four years, was sold in June, 1896, but was leased back for the term of two years. Already the buildings on the new site have been levelled to the ground, and the Association desires and designs to erect at once a worthy Congregational House.

At this juncture, we may well look backward and forward. The Association has been in existence since 1853. Its library stands in the front rank as a repository of the religious history and literature of New England, and is open daily and freely to all. Its rooms, whether in Chauncy St., Winter St., or Beacon St., have furnished a central rallying-point for many varied interests of our brotherhood. It has surmounted a debt of $250,000, and gained a clear property of $450,000, besides the priceless treasures in the Library. Its abundant usefulness is too manifest to be dwelt on.

Yet, during all these forty-four years, only ten small bequests have been made to the Association, aggregating less than $30,000. If this policy of neglect is continued, the struggles of the past must be repeated in the future. But if our denomination shall have the grace and foresight to provide for its own at the present time, the future is bright with hope.

Of the $450,000 above mentioned, about three-fourths was applied to the purchase of the new site, leaving only $125,000 towards the House itself. It seems a reasonable request when we call on Congregationalists throughout the country to furnish the remaining amount needed, so that the new house can be dedicated free of debt. The aim of our predecessors was to build a Congregational House as a home for the benevolent Societies, and to make it rent free; but because of the constant pressure of interest payments and other handicaps, we have been obliged to collect rentals from all these Societies. If the outlay for interest can be stopped, we may depend on the income from outside rentals to defray necessary running expenses; why is it not good policy, then, to make a permanent investment which will forever secure our own benevolent agencies from the burden of rent?

It is sometimes argued that this Association is essentially a business corporation, which ought not to appeal for gifts to churches and individuals, but ought rather to yield that ground to "the seven Societies." But in the light of what has just been mentioned, it is clear that a gift here is really a permanent investment for the benefit of those Societies A donation or bequest to one of them might be immediately exhausted; whereas a Congregational House, built and paid for, would yield a regular annual revenue to our various missionary boards; since the subtraction of a negative quantity equals the addition of a positive quantity.

Accomplished. — By the aid of this Society, since August, 1857, 2,787 houses of worship have gone on our roll as aided by us and the Albany Fund.

Since August, 1882, 586, parsonages have been completed by aid from this Society.

Waiting to be Accomplished. — On the eighth day of March, 1897, there were on the docket of the Society, awaiting the action of the Board, 34 applications, calling for $34,070. These were of the regular sort, varying in amount from $200 to $1,500. These applications are based on expected, ordinary receipts. They extend back to June, 1896. They will be promptly voted, almost without exception, as soon as funds are in hand from the ordinary contributions of the churches.

Larger Expectations. — Through the secular and religious press, reports have gone out that this Society is to receive or has received a very large legacy. The first rumor of such a possibility opened vigorous correspondence. Calls began to come for sums that would set a millionnaire thinking. One church deliberately and very urgently asks $50,000 to build a new house. Another asks $25,000, another $15,000. Nine ask $10,000 or more. Twenty-one ask $5,000 each. The balance of the eighty-one ask $4,500 and less. The whole eighty-one ask $532,000. Two cities ask the appropriation of $25,000 each as a reserve fund for the necessities of their work. The Society was never richer in generous applicants for aid. The Board never needed greater wisdom and discrimination than it will need when it comes in actual possession for use, of the possible $250,000 from the Stickney legacy. The Corresponding Secretary is in daily expectation of appeals from other generous friends who see a magnificent opportunity for the investment of a generous share of what Providence and legal possibilities may put the Society in possession of.

THE HOME MISSIONARY, a magazine hitherto published monthly by the Society, is hereafter — enlarged to eighty pages — to be issued quarterly at thirty cents a year, including postage. It will give a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In CONGREGATIONAL WORK, the new monthly organ of the Six Congregational Societies, the pages allotted to Home Missions will keep their readers in constant touch with the workers in all parts of the wide field, and present the freshest intelligence therefrom. The price is only ten cents a year. AN ANNUAL REPORT sums up the results of the year. Leaflets and Tracts for the times are published as occasion calls, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at the Bible House.

For more than seventy years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 6,339 churches(*a*) have been organized and 3,118 have come to self-support. It has collected and disbursed in cash, $17,411,950; and in clothing, books, and other supplies, largely the offerings of Christian women, $2,218,811; in all, $19,630,761. The additions to the churches have been 447,219.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The number of missionaries employed in its seventieth year (1895–96) was 2,038, 1,515 of them in States and Territories west and south of the Middle States. They preached regularly in 4,110 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 186,343. The additions to the churches were 12,138; 8,153 of them on confession of Christ. Churches organized, 123; reached self-support, 24.

The seventieth year's receipts were, in cash, $777,747.95; in supplies, $66,008.42; in all, $843,756.37.

At least $700,000 *in cash* is needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, $100,000 more is imperatively required. The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

FIELD

Extends from the Atlantic to the Pacific, and from Florida to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese, and in Alaska the Eskimos. Through its pupils it is reaching into Africa, China, the West Indian Islands, and Mexico.

AIM AND WORK

Include Christian education, churches, and missions, among the poor and friendless of the American people. The Association originated in a general sympathy with the almost friendless slaves. In its work no un-Christian distinctions of race or color are recognized. For more than thirty years its main efforts have been devoted to the South in the endeavor to educate the freedmen for their duties as Christians and citizens, and in the development of missions and schools on the Christian anti-caste basis among the whites, especially in the vast mountain regions. As closely related to these efforts the Association seeks to convert and educate the caste-persecuted Chinese in this country and fit them to become missionaries in their own land, and to extend the blessings of a Christian civilization to the Indians of our country.

Its methods include the school, the church, the mission, the shop, and the farm.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain Schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Bending Oaks Academy, Alabama. Indian Schools: Santee Normal and Training School, Nebraska. One hundred and four other Normal, Industrial, Graded, and Primary Schools.

MAGAZINE.

The American Missionary is published monthly, at *fifty* cents a year; but will be sent gratuitously, *if desired*, to the Missionaries of the Association; to Life Members; to all clergymen who take up collections for the Association; to Superintendents of Sabbath Schools; to College Libraries; to Theological Seminaries; to Societies of Inquiry on Missions; and to every donor who does not prefer to take it as a subscriber, and contributes in a year not less than five dollars.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields, it is having wonderful growth. In the Chinese fields, nearly three hundred pagans have come into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable

movement among the colored people towards free and pure churches. Quite a number of independent colored churches have lately come into Congregational fellowship, and the movement shows great promise, especially in the Carolinas and Georgia. The Association has well organized churches in union with our great educational institutions, influential churches in many large towns and cities as well as in the rural regions. There are widespread church missions in the form of evangelistic meetings, Sunday-school and Christian Endeavor services, home visitation, and wayside work. Everywhere the A. M. A. church work stands as a protest against superstition, heathenism, and immorality, and as a witness for a pure gospel of light and liberty.

Money should be sent to the Treasurer of the Trustees of the National Council, Rev. S. B. FORBES, 206 Wethersfield Avenue, Hartford, Conn.

The National Council's Ministerial Relief Fund was started by a bequest of $10,000. Through the earnest efforts of the Committee and the generous response of a few churches and individuals, it has grown to over $100,000. It asks one splendid collection from every church, one self-denying offering from every Congregationalist in our land. It seeks large individual subscriptions and gratefully accepts small ones. The Trustees of the National Council are the legal corporation to hold and invest the money. The interest is paid out annually in little pensions of $50 to $200 to our aged and disabled ministers, especially home and foreign missionaries who have labored where State funds are absent or inadequate, and to their families. Fuller information may be found in the Minutes of the Councils of 1886, 1892 and 1895. The Secretary will furnish leaflets and hymn and subscription cards free, and will gladly respond to invitations to address associations, Congregational clubs, and especially churches.

FORM OF A BEQUEST.

I bequeath to the "Trustees of the National Council of the Congregational Churches of the United States" (a body corporate chartered under the laws of the State of Connecticut) [here insert the bequest], to be used for the purpose of Ministerial Relief, as provided in the resolution of the National Council of the Congregational Churches of the United States at its session held in Chicago in October, 1886.

Terms of Admission. — Bangor Seminary is open to all denominations of Christians. Candidates for admission must produce testimony of their church membership and of their collegiate education. If they have not pursued a college course, they will be examined, and must exhibit mental training and attainments sufficient, in the judgment of the Faculty, to warrant their entering upon a course of theological study.

Course of Study, Junior Year. — *Classical Course:* Hebrew, Language and Exegesis, Greek Exegesis, New Testament Introduction, Theory of Knowledge, Moral Philosophy, History of Greek Philosophy, English Literature. *English Course:* English Composition, Rhetoric; English Bible; Biblical Interpretation, Introduction and History; Logic. Theory of Knowledge; Moral Philosophy; History of Greek Philosophy.

Middle Year. — Systematic Theology, Christian Ethics, Church History, History of the Religion of Israel, New Testament Criticism, Homiletics, Vocal Culture.

Senior Year. — Church History, Homiletics, Pastoral Theology, Sociology, Old Testament Theology and Criticism, New Testament Theology, Church Polity.

Optionals. — In addition to the regular curriculum a choice among optional studies in different departments is offered to students qualified to take them.

Bond Lectureship. — The subject in the spring of 1897 is the cosmos, astronomically considered.

English Biblical Course. — This course has recently been established as an elective, for those who prefer a theological education on the basis of the English language. Its instruction is intended to be as scientific and scholarly as that of the other departments. Special attention is given to the English Bible. This course is in part distinct from the Classical Course during Junior year, but in Middle and Senior years the two divisions of the class are united.

Preaching. — As it is believed to be conducive to the best professional training to combine practice with theory, and as special facilities are afforded in the comparatively destitute missionary fields in the immediate neighborhood of the Seminary, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. This privilege is enlarged after licensure at the close of the Middle Year.

Post-graduate Scholarships. — Three scholarships have been recently established for graduates of this Seminary. Two are in Bowdoin College, and are for the purpose of aiding students who, after graduating from the Seminary, desire to take a course of study in the College. The third is for the benefit of any student who wishes to take a fourth year of study in the Seminary.

Expenses. — There is no charge for tuition, rooms, furniture, library, gymnasium, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be distributed to those who need.

Library. — The Seminary has an excellent library, numbering nineteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

Gymnasium. — The new gymnasium is furnished and provided with suitable apparatus. Special instruction is given three hours a week.

Anniversary occurs on Wednesday, May 19, 1897.

The next seminary year will open on Wednesday, Sept. 1, 1897.

For Catalogues or for admission, address Prof. J. S. SEWALL,
Or, Prof. G. W. GILMORE.

FACULTY.

Rev. John Knox McLean, D. D., President, and Lecturer on Pastoral Theology.
Rev. George Mooar, D. D., Coleman Professor of Apologetics and the Relations of Christianity and Science; also Acting Professor of Church History.
Rev. Wallace Williams Lovejoy, M. D., S. T. D., Professor of Old Testament Languages and Literature.

Rev. Frank Hugh Foster, PH. D., D. D., Professor of Biblical and Systematic Theology.
Rev. Charles Sumner Nash, A. M., B. D., Mary A. Crocker Professor of Homiletics and Pastoral Theology.
Rev. Rhys Rees Lloyd, A. M., B. D., Professor on the Frederick Billings Foundation for New Testament Greek and Exegesis.
Rev. George B. Hatch, B. D., Instructor in Elocution.

Four distinct courses of study are now offered. First, the full Classical Course, including all the branches ordinarily taught in a Theological Seminary, and leading to the degree of Bachelor of Divinity; second, a Four Years' Course, having a preparatory year for those who come with sufficient maturity, but without a full preparation, for theological studies, and including all the classical studies except Hebrew, the Old Testament being studied in English; third, an English Course of three years, replacing both Hebrew and Greek by English Bible study; and fourth, a Lay Training Course, for Sunday-school teachers, lay evangelists, mission leaders, etc., embracing courses in the English Bible, in practical details of lay work, in the outlines of Christian Doctrines, etc., taught by the seminary professors and outside helpers from the neighboring pastorate. Special studies may be taken by qualified persons with the consent of the Professors, as they may desire.

Terms of Admission. — The Seminary is open to students of every Christian denomination. Applicants should present certificates of membership in some church, and evidences of such literary and scientific attainments, and of such character, as make it probable that they can worthily pursue their studies. The normal preparation for the Classical Course is a full collegiate education. Those who have not college diplomas should furnish testimony that they have attained equivalent culture and discipline. This would involve knowledge at the least of the Greek language, of Psychology, English Literature and Composition, History, and some branch of the Physical Sciences. Such applicants as have not received the normal preparation are received on probation.

All the courses of study are open to women as well as to men.

Expenses and Pecuniary Aid. — No charge is made for tuition, rent of rooms, or use of furniture or of library. The student furnishes his own fuel and light. For incidental expenses every student is expected to pay $5 each semester in advance, and those occupying rooms in the building twenty-five cents each per week for care of rooms. Board may be had in the Students' Club at from $2.00 to $2.50 a week.

Help is granted from scholarships and to students of the Classical Course, from the American Education Society, as may be necessary, up to the ordinary limit of $175. Systematic arrangements have been made, by which students may be employed in church and city missionary work, and so receive a part or the whole of the Seminary pecuniary aid as a compensation for present service, as well as in preparation for the future. Such work is under the direct personal supervision of the President.

Facilities. — A carefully selected and constantly increasing library (now numbering seven thousand volumes) is accessible to all students. No happier situation is known than that occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. The location of the institution in the midst of the great metropolitan complex of San Francisco and its surrounding cities, its proximity to the University of California, its high standards, its organic association with the aggressive work of the Congregational churches of the vicinity and of the State, its affiliation with the Congregational ecclesiastical organizations of all the Pacific States, its missionary history, and the emphasis it lays upon the spiritual and practical, constitute its especial claims upon the attention of candidates for the ministry.

The Next Year begins Sept. 1, 1896. Address the President.

Admission. — The Seminary is open to students of all denominations. Candidates for admission to the Degree or Diploma Course must have received a collegiate education, or an equivalent preparation. Students from other seminaries may be admitted by certificate.

Terms and Vacations. — The academic year begins the second Wednesday in September and closes the third Wednesday in April. There is a recess of two weeks at Christmas.

Situation. — The Seminary Buildings front Union Park. The location is quiet, but the centre of the city may be reached in ten minutes.

Course of Study. — The Course of Study covers three years; the lectures are prescribed and elective. Each student is required to take fourteen lecture hours a week, ten prescribed and four elective. The Diploma Course differs from the Degree Course only in putting study of the English Bible partly in place of that of the Hebrew and Greek Scriptures.

The German and the Scandinavian Departments. — Students in these departments take part of the Degree or Diploma Course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from most English studies, in place of which they have such studies in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

Examinations. — In each year there are public examinations, oral and written, of all the classes.

The Alumni Institute is held in the anniversary week in April.

Hammond Library. — This contains the General and the Reference Library with over 16,000 volumes, which is arranged in six rooms according to subjects. These sub-departments are furnished with the best helps for students, and are open daily. The students have easy access, also, to the public libraries of Chicago, some of which are among the best endowed and equipped in the country.

Expenses. — No charges are made for instruction, or for the use of Hammond Library. Furnished rooms are drawn in the treasurer's office on the first day of the fall term at 10 A. M. The following charges are made for the occupancy of rooms in the Seminary buildings: $1.00 a week for rooms occupied by two students; $1.25 for rooms alone. Good board can be had in private families in the neighborhood of the Seminary for $2.50 or $3.00 a week.

Financial Aid. — From the American Education Society, to men in the Degree or Diploma Course, $75 a year. Additional aid will be furnished to students needing it, and fitted for such work, in return for service in city missions. This supplemental aid is $4.00 a week for twenty-five weeks. The aid to students in the Foreign Departments of the first year is given only in the second term to those who pass the Christmas examination.

Subject: The Biblical Element in Early Christian Art.

Course of Study. — The plan of instruction aims (1) to establish sound methods of investigating the Scriptures, (2) to train the power of formulating Scriptural truth, and (3) to apply that truth in the study of history and experience, of philosophy, and of practical endeavor, — God's thought being recognized as the supreme object of all science, and His will the supreme guide of conduct.

Instruction is carried on partly through text-books, partly by lectures, and partly through original investigation by the student. Emphasis is laid upon a close personal relation between instructor and pupil. About two thirds of the course are prescribed, and one third is to be selected from a list of about one hundred electives, offered in all the departments. Special efforts are made to explain the interrelations of the numerous subjects properly belonging under the head of theological science, and to afford the opportunity of prosecuting study in any one of them. In each department the purpose is to use only the most scientific methods, both old and new. In the field of pastoral discipline extensive work is expected in preaching, in every variety of evangelistic and charitable organization, and in personal religious effort. Systematic instruction is given in singing and in elocution. Optional instruction is provided in German. Special and advanced courses are open to those who desire them. Two fellowships (each for two years) for foreign study and seven prizes are offered.

The Apparatus includes a rapidly increasing library of over 65,000 volumes, containing several unique special collections, to which students have access day and evening, museum and reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

All courses are open to *women* on the same terms as to men.

Expenses. — No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of $20 for use of steam and supervision. Board is provided at the Seminary under the care of the Students' Association, at $3.50 per week.

Scholarship aid is provided for those needing it to the amount of $60 to $90 per year, in addition to the grant of $75 from the Education Society.

Calendar. — The sixty-fourth year begins on Oct. 6, 1897, and closes on June 2, 1898. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

The Seminary is open to students of all denominations. It has a full corps of Professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge. Upon college graduates who complete the Classical Course, the Academic Degree of Bachelor of Divinity is conferred. Those who are not college graduates, but who have had the equivalent of a college course, may also receive this degree upon the completion of the Classical Course, by fulfilling certain additional requirements.

CLASSICAL COURSE. — The minimum requirement for all candidates for a degree is 1,280 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 657 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, aggregating 1,391 hours, from which each student elects at least 625 hours. These courses cover a large range of more advanced work in the several departments.

ENGLISH COURSE. — This is to train for the ministry mature men who give promise of usefulness but who are too old to receive a full classical education. Its chief service thus far has been to educate men who had already entered the ministry without any training. The course extends through three years; it includes over 400 hours Exegesis of the English Bible; Church History; the full course in Systematic Theology, preceded by Psychology, Logic, Moral Science, and Christian Evidences; Homiletics with preparatory work in Rhetoric and Elocution; Practical Theology.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular English or Classical Course.

SPEAR LIBRARY contains about forty-five thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms for fifty students. Those rooming here pay an incidental fee of $30 a year. Other students pay a fee of $5. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from $2.00 to $3.00 a week. Other expenses are correspondingly low.

Pecuniary aid is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from each is $75. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 22, 1897. For further information address Prof. E. I. Bosworth.

Relation to the University. — The Divinity School is one of the Departments of Yale University. Its members receive from the Corporation, on completing their three-years course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of Fine Arts. They are permitted to attend free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

Course of Study. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, New Testament Biblical Theology, and Social Ethics. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars from this country and Europe. There are also optional classes in German, Syriac, Chaldee, Arabic, and Assyrian. Once a week there is a Rhetorical Exercise for all the classes. Instruction in Vocal Culture and Elocution, and also in Sacred Music, if desired, is continued through the entire course.

Graduate or Fourth-Year Class. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Scholarship aid, to a limited amount, will, at the discretion of the Faculty, be given to men of superior scholarship.

The Libraries of the University, to which students have access, including the Reference Library of the Divinity School, contain more than 200,000 volumes.

The Graduate Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $500 for one year after graduation, is offered to the class entering in September, 1897.

Expenses. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bed clothing. The chief expenses of the session are for board, $3.00 to $4.00 a week; fuel and light, $25 to $30; and $15 a year for care of room and incidental expenses.

Scholarship Funds and other Aids. — Students whose circumstances require it are aided to the amount of $100 a year, from the income of scholarship funds. Besides this assistance, ten special scholarships of $50 each are assigned to those members of the Junior Class who maintain the highest standing in the studies of the year. Additional aid to an amount ranging from $50 to $75 is offered by the Congregational Education Society to approved students who are members of Congregational churches.

Commencement of the Term. — The next term of study will begin on Thursday, Sept. 30, 1897, and continue until the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

Application for Admission. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual catalogue containing further information, may be made to Prof. George B. Stevens, *New Haven, Conn.*, or to any other member of the Faculty.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year implies that the student was connected with that college, but did not complete the course. A list of the colleges and universities may be found at the end of this list.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1897 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1897, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The statistics of the churches and their ministers, by States.
2. List of Congregational ministers in foreign lands.
3. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1897-8.
4. General summary tables for the year.
5. Tables of summaries, 1858–1896.
6. Remarks upon the statistics.
7. Alphabetical list of ministers, with P. O. address, and indexed to pages.
8. Alphabetical list of licentiates.
9. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make each State list conform strictly to the *State boundaries*. Churches or ministers reported by some association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE in LINE OR MARGIN, is USED EXCLUSIVELY FOR NAMES OF

POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A * denotes churches not associated, except in California, where it marks the churches in Southern California.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report"

Eighteen of the 36 churches in Louisiana are unreported, and comparisons with other years must be of small value. No names are omitted; if all the churches which fail to answer were dropped, it might have a salutary influence in securing future returns. May we hope that Louisiana will secure a better showing next year? ORGANIZATION: THE LOUISIANA CONGREGATIONAL ASSOCIATION.

Students of this table should remember that 1887 was a transition year. The reports from different States covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1895, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac. or Mc. are among this number. Names beginning with Mc. or St. are arranged as if the word was not abbreviated.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.
